APARAITECH

INSTITUTIONAL COLLABORATION DOSSIER

SPECIALLY PRESENTED TO:

Pune District Education Association's College of Engineering

Hadapsar-Manjari Road, Manjari (BK), Pune - 412307, Maharashtra

FOR THE RESPECTED PRINCIPAL DR. R. V. PATIL, TPO PROF. D. L. MULE & HEADS OF DEPARTMENTS

Bridging the Pune IT Hub with Applied Engineering: Production Sprints, Enterprise Mentorship, and Industry Placements

APARAITECH SOFTWARE

Hinjewadi Tech HQ • Enterprise Cloud Applications • Verified Academic Alliances

Corporate HQ: Gera's Imperium Rise, Hinjewadi Phase 2, Pune, Maharashtra 411057
Bengaluru: 360, Neeladri Rd, Electronic City Phase I | Regional Center: Anand Nagar Colony, Baramati, Maharashtra 413102

Institutional Address

To the Respected Principal Dr. R. V. Patil & TPO Prof. D. L. Mule

PDEA's College of Engineering, Manjari (BK), Pune
Affiliated to Savitribai Phule Pune University (SPPU) | Approved by AICTE | DTE Code: 6206 | NAAC Accredited

PUNE ALLIANCE 2026

Advancing Student Employability Through Direct Enterprise Partnership in Pune

Pune District Education Association holds a distinguished heritage in nurturing talented engineers across Maharashtra. In today's competitive tech ecosystem, academic rigor delivers its greatest impact when reinforced by real commercial development experience. As a Pune-headquartered enterprise located in Hinjewadi Phase 2, Aparaitech Software respectfully submits this collaboration proposal to PDEA's College of Engineering, Manjari. We seek an active bilateral partnership with your Training & Placement Cell, the "Campus Connectors" student council, and departmental heads across Computer Engineering, IT, E&TC, Mechanical, and Instrumentation to transform students from theoretical learners into confident, production-ready engineers.

Hinjewadi-to-Manjari Tech Synergy

Seamless physical and digital collaboration between Pune's premier IT corridor (Hinjewadi) and PDEA's Manjari campus, facilitating live workshops, physical code reviews, and industry visits.

Live Commercial Software Sprints

Direct hands-on involvement with active commercial applications: multi-tenant SaaS platforms, alumni portals, real-time cloud kitchen displays, and cognitive test platforms.

SPPU & NAAC Accreditation Support

Documented industrial apprenticeships strengthening institutional compliance under NAAC Criterion 3 (Industry Linkages & MoUs) and SPPU outcome-based learning mandates.

Global Exposure (Embarc.Inc Japan)

Bilateral alliance with Embarc.Inc (Tokyo, Japan), introducing PDEA students to international software engineering workflows, bilingual specifications, and cross-border standards.

Our Humanized Commitment: Learn, Build, Deploy, and Succeed

We eliminate the disconnect between tutorial theory and real software engineering. Every PDEA engineering student is assigned verifiable problem statements, works within structured Git workflows, receives code reviews from working software leads, and graduates with live deployed applications.

Corporate HQ: Gera's Imperium Rise, Hinjewadi Phase 2, Pune, Maharashtra 411057
Bengaluru: 360, Neeladri Rd, Electronic City Phase I | Regional Center: Anand Nagar Colony, Baramati, Maharashtra 413102

Our Services and Products

Comprehensive Technological & Training Architecture

1 Live Industry Projects & Apprenticeship

- Real-time project execution aligned with current enterprise technology stacks
- Specialized engineering tracks: AI/ML, Full-Stack Web Development, Data Analytics, Java Enterprise, Cloud & DevOps
- Structured milestone sprints with 10 industry-grade problem statements
- **Overall Performance-Based Stipend:** Eligible students receive an **Overall Performance-Based Stipend of ₹8,000 to ₹15,000** upon milestone completion (**Strictly an Overall Program Stipend, Not Monthly**)

2 Enterprise Software Products & Multi-Industry Solutions

- Institutional Web Platforms: SVPM Alumni Portal, Online Testing Engine, Attendance Management System
- Commercial Enterprise Applications: Cloud Kitchen Operations, APNA Store E-Commerce, Service Hub
- AI Question Paper Generator with cognitive Bloom's Taxonomy balancing
- Automated Decision-Support Dashboards engineered for educational institutions and businesses

3 Academic-Industry Collaboration & Placement Support

- Formal bilateral MoUs structured in full accordance with AICTE internship guidelines
- Pre-Placement Orientation Sessions, Technical Mock Interviews, and Resume/Portfolio Reviews
- Direct HR interview rounds and priority consideration for full-time engineering placements
- Official verified documentation: Industrial Experience Letter, Letter of Recommendation (LOR), and Completion Certificate

APARAITECH
SOFTWARE COMPANY

Corporate HQ: Gera's Imperium Rise, Hinjewadi Phase 2, Pune, Maharashtra 411057
Bengaluru: 360, Neeladri Rd, Electronic City Phase I | Regional Center: Anand Nagar Colony, Baramati, Maharashtra 413102

Products

AI-Based Enterprise & Campus Applications

1 AI Question Paper Generator

- Automated question paper synthesis for university examinations, unit tests, and semester finals
- Rigorous Bloom's Taxonomy cognitive balancing (Remembering, Understanding, Application, Analysis, Evaluation)
- Difficulty distribution controller and randomized question permutations preventing examination paper leaks
- Instant export to printable formatted PDF, Microsoft Word, and institutional LMS question banks

2 Face Detection & Smart Attendance System

- AI-powered facial biometric recognition for seamless, contact-free classroom and lab attendance
- Real-time identity verification with anti-spoofing and infrared liveness detection
- Automated daily and monthly attendance analytics, deficiency flagging, and instant parent notifications
- Zero friction integration with existing college ERPs, faculty mobile applications, and administrative databases

3 AI Automation & Decision-Support Tools

- Automated institutional workflows utilizing fine-tuned NLP and computer vision models
- Intelligent decision-support dashboards for departmental resource planning and faculty schedules
- Drastic reduction in manual paperwork, administrative backlog, and repetitive verification overhead
- Predictive analytics tracking student academic progress, attendance patterns, and placement readiness

APARAITECH
SOFTWARE COMPANY

Corporate HQ: Gera's Imperium Rise, Hinjewadi Phase 2, Pune, Maharashtra 411057
Bengaluru: 360, Neeladri Rd, Electronic City Phase I | Regional Center: Anand Nagar Colony, Baramati, Maharashtra 413102

Live Software Deployments

Production Platforms Across Multiple Industries

Aparaitech Software actively engineers, deploys, and maintains real-world digital solutions across education, food-tech, e-commerce, and service sectors. These live production deployments showcase our proven full-stack software expertise:

SVPM Alumni Portal

Institutional alumni engagement network featuring global alumni directories, mentorship connections, event management, and institutional archival records.

Portal: svpmalumni.aparaitech.org

Online Test Platform

High-concurrency online examination engine with automated grading, real-time student analytics, question paper pools, and secure timed proctoring.

Platform: tests.apraitech.org

Attendance Management System

Enterprise-grade digital attendance and workforce monitoring platform with automated shift tracking, student logs, and institutional ERP synchronization.

System: attendance.aparaitech.org

Cloud Kitchen Operations

Multi-brand culinary automation platform managing real-time food order routing, live kitchen display systems, inventory control, and point-of-sale integration.

Portal: cloudkitchen.aparaitech.org

APNA Store E-Commerce

Complete digital retail commerce platform featuring dynamic product catalogues, secure automated payment gateway integrations, cart mechanics, and dispatch tracking.

Store: apnastore.aparaitech.org

On-Demand Service Hub

Multi-vendor marketplace connecting consumers with specialized service technicians, featuring dynamic booking scheduling, invoicing, and customer feedback.

Hub: servicehub.aparaitech.org

Direct Industry Mentorship for PDEA COEM Students

Candidates in our Live Project Program are trained on the exact software architectures, CI/CD pipelines, and cloud environments that power these active commercial applications.

Corporate HQ: Gera's Imperium Rise, Hinjewadi Phase 2, Pune, Maharashtra 411057
Bengaluru: 360, Neeladri Rd, Electronic City Phase I | Regional Center: Anand Nagar Colony, Baramati, Maharashtra 413102

Live Project Program

3-Month Execution Model & Sprint Breakdown

Structured into disciplined milestone sprints simulating corporate agile development. Students tackle real problem statements, submit periodic code reviews, and deploy production software systems under active senior mentor supervision.

TIMELINE	ASSIGNED PROBLEM STATEMENTS	MANDATORY DELIVERABLES
Month 1 Foundation Sprint	**Assigned: 3 Problem Statements** Candidate selects based on domain specialization	Minimum **1 Project (End-to-End)** completed with Git repository, architecture schema & code review
Month 2 Advanced Sprint	**Assigned: 3 Problem Statements** Complex backend, database optimization & REST/GraphQL API integration	Minimum **1 Project (End-to-End)** completed with automated testing, user authentication & CI/CD
Month 3 Production Sprint	**Assigned: 4 Problem Statements** Full cloud deployment, AI model integration & live hosting	Minimum **2 Projects (End-to-End)** completed with live URLs, performance benchmarking & documentation

Overall Performance-Based Stipend

Students earn an **Overall Performance-Based Stipend of ₹8,000 to ₹15,000** across the entire 3-month program (**Strictly an Overall Program Stipend, Not Monthly**), evaluated strictly against milestone completion, sprint timeliness, and production code quality.

Institutional Credentials Provided

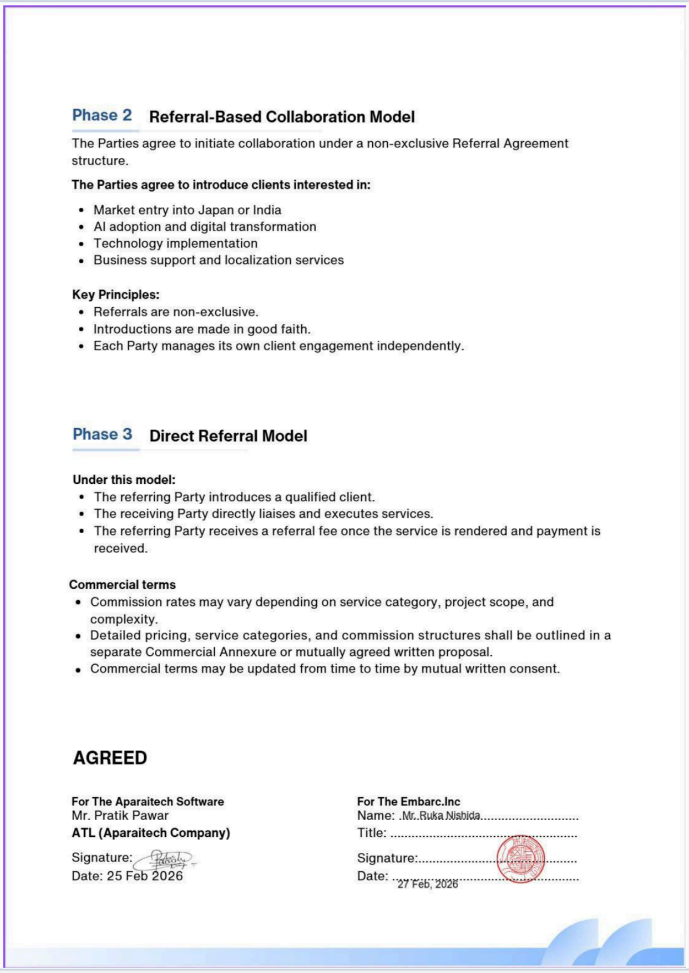

Every successful participant receives an official **Experience Certificate**, a personalized **Letter of Recommendation (LOR)**, and a verified **Completion Certificate**.

Corporate HQ: Gera's Imperium Rise, Hinjewadi Phase 2, Pune, Maharashtra 411057
Bengaluru: 360, Neeladri Rd, Electronic City Phase I | Regional Center: Anand Nagar Colony, Baramati, Maharashtra 413102

Global Collaboration

Embarc.Inc Alliance (Japan - India Market Entry)

Aparaitech Software maintains an active international bilateral collaboration with **Embarc.Inc** for **Japan-India market entry, digital transformation, and cross-border engineering**. Signed by Mr. Pratik Pawar (ATL, Aparaitech Software) and Mr. Ruka Nishida (Embarc.Inc).

Phase 2 **Referral-Based Collaboration Model**

The Parties agree to initiate collaboration under a non-exclusive Referral Agreement structure.

The Parties agree to introduce clients interested in:

- Market entry into Japan or India
- AI adoption and digital transformation
- Technology implementation
- Business support and localization services

Key Principles:

- Referrals are non-exclusive.
- Introductions are made in good faith.
- Each Party manages its own client engagement independently.

Phase 3 **Direct Referral Model**

Under this model:

- The referring Party introduces a qualified client.
- The receiving Party directly liaises and executes services.
- The referring Party receives a referral fee once the service is rendered and payment is received.

Commercial terms

- Commission rates may vary depending on service category, project scope, and complexity.
- Detailed pricing, service categories, and commission structures shall be outlined in a separate Commercial Annexure or mutually agreed written proposal.
- Commercial terms may be updated from time to time by mutual written consent.

Subject: Invitation for **OFFLINE Campus drive** in our college.

Ref: Phone conversation with **HR Team, APARAITECH, Baramati.**

Dear Sir,

We hope this letter finds you well. On behalf of D.H.B. Soni College, we are pleased to extend an invitation to **APARAITECH, Baramati** to conduct a **recruitment drive** at our campus. We would be honored to have your presence for the purpose of selecting potential candidates for internship and placement opportunities at your company.

Your graceful presence at the campus will be a source of inspiration and motivation and improve the employability skills for our students.

Thank you for considering our request.

Thanking you,
With warm regards,

Institutional Partnership Roadmap

Tailored for PDEA's College of Engineering, Manjari, Pune

Aparaitech Software proposes an organic, AICTE-aligned collaboration pathway designed to integrate seamlessly with PDEA COEM's academic calendar without administrative overhead:

1

Step 1: Institutional MoU & Departmental Alignment

Execution of an academic Memorandum of Understanding, formalizing project tracks for Computer Engineering, IT, E&TC, Mechanical, and Instrumentation departments, aligning with SPPU credit internship requirements and NAAC Criterion 3 compliance.

2

Step 2: Campus Orientation & Live Problem Statement Allocation

Joint technical briefing on campus with the Training & Placement Cell and "Campus Connectors" student coordinators. Candidates select their domain specialization and receive live enterprise problem statements with dedicated Git repositories and senior mentor guidance.

3

Step 3: Milestone Reviews, Stipend & Placement Pathways

Periodic sprint reviews, **Overall Performance-Based Stipend** disbursement of **₹8,000 to ₹15,000** (**Strictly an Overall Program Stipend, Not Monthly**) upon milestone clearance, official credentials issuance (Experience Letter, LOR, Certificate), and direct HR interviews for pre-placement offers.
